

The California Credit Union League and Patriot Techcorp team up to provide cost-effective compliance solutions for smaller credit unions

May, 2007

Together with the **California Credit Union League Shapiro Group** and a host of NCUA Examiners, Patriot Techcorp has developed a special pricing structure designed to provide cost-effective compliance solutions for credit unions with smaller asset sizes.

This special pricing structure affords the opportunity for smaller credit unions to ensure compliance with OFAC, FinCEN and other government regulations in the most cost-effective and least time consuming manner.
