

Patriot Techcorp Releases Global Patriot™ Special License Package for the Export & Import Industry

January, 2008

Patriot Techcorp' product innovation for its compliance solutions has continued from the initial release of the Global Patriot™ program in 2006, designed to specifically address U.S. government regulations, to the release of Special Licensing Packages for the Global Patriot™ program in 2007 and 2008 designed to address specific governmental data lists as mandated for regulatory compliance per industry segments.

Patriot announces the release of the Global Patriot™ Export & Import Special License Package designed to ensure compliance for the Export & Import Industry legislation issues for Anti-Money Laundering (AML), Anti-Terrorism, the USA PATRIOT Act, Office of Foreign Assets Control (OFAC), Bank Secrecy Act (BSA), and other related domestic and foreign governmental regulatory requirements.

The Export & Import Special License Package includes a data list package from the industry specific government entities that are directly related to Export & Import Industry compliance regulations.

Presentation and Product Demo provided upon request.

About Patriot Techcorp

Patriot Techcorp, Inc. is a software research and development and network security management services firm that specializes in combining advanced technology with vision and innovation to produce quality products and cost-effective solutions.
