

Patriot Techcorp Welcomes Dr. Michael Lee as Director of Support Services

June, 2008

Patriot Techcorp' welcomes Dr. Michael Lee as Director of Support Services for Patriot Techcorp, Inc.

Prior to joining Patriot Techcorp Dr. Lee lectured for over 3 years on the international information technology circuit speaking on network infrastructure design and security management.

Dr. Lee is a senior level engineer that also worked for JPL (Jet Propulsion Laboratory, affiliated with the California Institute of Technology), having worked predominantly on projects related to NASA for over 6 years.

By leveraging his past experience and leadership in designing and implementing various systems, security programs and software, Dr. Lee will play an integral role in developing and overseeing network infrastructure design and security management projects for Patriot clients on a global basis.
