

## **Patriot Techcorp Releases the OFAC Patriot™ & FinCEN Patriot™ Programs in Version 2.2.0 with Enhanced Features & Functionality**

**05 August 2011**

Patriot Techcorp' product innovation for its compliance solutions has continued from the initial release of the OFAC Patriot™ & FinCEN Patriot™ programs in 2003, designed to specifically address U.S. Government regulations, to the release of the OFAC Patriot™ & FinCEN Patriot™ programs in Version 2.2.0

The OFAC Patriot™ & FinCEN Patriot™ programs in Version 2.2.0 offer enhanced features & functionality that provide users with the following program modifications:

- Select a date range to run comprehensive consolidated search result reports from and to combining selected result reports into one master report which can be viewed, printed and archived by date consolidated reports were run
- Consolidated reports can be run in either single or batch search modes
- Single search mode provides the ability to run consolidated reports in either alphabetical or chronological sort order
- Batch search mode provides the ability to run consolidated reports in chronological sort order by dates consolidated reports were run

***Product Demo provided upon request.***

### **About Patriot Techcorp**

Patriot Techcorp, Inc. is a software research and development and network security management services firm that specializes in combining advanced technology with vision and innovation to produce quality products and cost-effective solutions.

The Patriot team is comprised of PhD level business professionals and computer science engineers that collaborate in its efforts in being recognized as an industry leader providing comprehensive compliance & technology solutions.

The founding management team has a combined tenure of over fifty years of experience within the governmental and financial industries providing a wide array of solutions.

Patriot' engineering and programming team has developed and provided software applications and network security consulting services for industries such as: casinos, export & import, financial, insurance, aviation, judicial, military and intelligence sectors of the government, energy, communications and high-technology both in the United States and internationally.
